

Neurology Stroke Service Elective at YNHH-YSC

Last Modified: 07/11/2014

Code: Stroke-E-Y

Elective Description:

The primary educational objective of the Neurology Stroke Service elective rotation for medicine residents will be to provide a rich experience in acute stroke management, intensive stroke care, neurorehabilitation, and secondary stroke prevention. Residents will also have the unique exposure of performing telemedicine consultations for acute stroke patients (TeleStroke).

The resident will be expected to play an integral role on the stroke team. Residents will participate in rounds and daily conferences. The team will also consist of a stroke attending, stroke fellow, senior neurology resident, junior neurology resident and mid-level practitioner.

Daily hours (M-F) are variable but one can expect on average from 7:00am to 5:00pm. There is no night call or weekend hours expected.

On your first day please report to the resident's conference room on the general neuroscience ward at YNHH (6-3, South Pavillion). Please ask to meet with the senior stroke team resident once you arrive.

Please contact Joseph Schindler, MD with any questions or concerns.
