Antonietta Villa
Grand Rounds
(203) 852-2368

GI Section Conferences

- Tuesdays, 12:30 – 1:30 pm, in 3rd Floor Cardiology Conf. Room
- Designed for attendings, fellows, residents and students on elective, these conferences are arranged with the specialty representative at Norwalk Hospital. A case will be presented, discussed informally and a selected topic will be reviewed.
- *Contact: Justin Provost, MD (203) 415-8191*

Cardiology Section Conferences

- Wednesdays, 8:00 – 9:00 am, in 3rd Floor Cardiology Conf. Room
- The Cardiology Section conferences are for board certified cardiologists. It is requested that the scheduled speakers keep this in mind while preparing their talk. Some housestaff may also attend.
- *Contact: Laura Thompson (203) 852-2403*

Housestaff Conferences

- Mondays, Wednesdays, and Fridays, 12:30 – 1:30 pm, 7th Floor Classroom
- An annual lunchtime conference series provides review of the core curriculum for Norwalk housestaff. Speakers coming to Norwalk should include in their presentations how individual patient characteristics impact on presentation and management. Specifically, differences between men and women, ethnic/racial or age groups that are potentially clinically important to the internist should be included in the presentation. Medical students will also attend. All these conferences are teleconferenced to the Norwalk Community Health Center so that residents on our Ambulatory rotation are able to participate.
- *Contact: Lisa Courtney (203) 852-2025*

Grand Rounds

- Thursdays, 8:00 – 9:00 am, Perkin Auditorium
(*Except for the first Thursday of the month when it is from 9:00-10:00am*)
- Subjects/topics to be discussed are arranged by the Chief of Medicine. Commuter congestion along I-95 and/or the Merritt Parkway is expected to be very heavy again this year. Please allow **2 hours from New Haven** to Norwalk for Grand Rounds.
- *Contact: Antonietta Villa (203) 852-2368*

Travel time from Yale approx. 1-2 hours

Commuter congestion along I-95 and/or the Merritt Parkway is expected to be very heavy again this year. Please allow **2 hours from New Haven** to Norwalk for Grand Rounds.

Follow blue "H" hospital signs on highways and routes leading from them to Maple Street, the entry to the hospital complex, where other signs direct you to entrances and parking.

From I-95

Northbound (from New York)

Take Exit 14. At end of ramp turn left and cross over the turnpike to traffic light. Turn right onto U.S. 1. At the third traffic light (Maple Street.) turn left to hospital area.

Southbound (from New Haven)

Take Exit 15. Bear right on ramp to traffic light. Turn right, onto West Ave. Pass through the next intersection (and light). At the next traffic light, turn left onto Maple Street and go straight ahead to the next traffic light to reach the hospital area.

From the Merritt Parkway, Route 15

Northbound (from New York)

Take Exit 39, going right (South) directly onto the Rte-7 Connector (follow signs saying "to I-95"). Get off at Exit 1; turn left onto Van Buren Avenue (US-1). At the second traffic light turn right onto Maple Street, into the hospital area.

Southbound (From New Haven)

Take Exit 38 and turn right onto CT-123 South. At the fourth traffic light, CT-123 goes off to the left, but you do not turn; continue straight ahead to the seventh traffic light (from the Parkway), at Maple Street. Turn right on Maple Street into hospital area.

Route 7

Southbound (From Danbury).

Above the Merritt Parkway, just inside the Norwalk line, turn right onto the Route 7 Connector access road (directly opposite the Department of Motor Vehicles building). Follow signs "To I-95" onto Route 7 Connector. Take Exit 1; turn left onto Van Buren Avenue (US-1). At second traffic light turn right onto Maple Street, into hospital area.

To 7th Floor Classroom

Take the Main Elevator in the Main Lobby to the 7th Floor, stepping to the right when leaving the elevator and then making a left down the hallway. The Classroom is on the left side across from the patient elevators.
